

2021 IEEE PES GM Student Poster Session & Contest – Due Date Extended to May 15th

Dear Colleagues,

The 2021 IEEE PES General Meeting organizing committee and the Student Meeting Activities Subcommittee of IEEE PES Power and Energy Education Committee (PEEC) are happy to announce that there will be a Student Poster Session & Contest at the [2021 PES GM](#) virtual conference July 25-29, 2021.

Submissions of poster abstracts for inclusion in the Student Poster Session & Contest are accepted through the online portal:

- [Submission Site](https://ieeesecondplatform.com/a/page/society_awards/powerandenergysociety) - https://ieeesecondplatform.com/a/page/society_awards/powerandenergysociety;
- The submission site will open on March 15th, 2021;
- The deadline to submit poster abstracts for inclusion in the Student Poster Session & Contest has been extended to **May 15, 2021 (5 PM ET)**;
- Notifications of acceptance will be sent out to students by June 1, 2021.

Please note:

- Graduate and Undergraduate students are encouraged to submit abstracts pertaining to research and/or senior design projects.
- Students wishing to be considered for the student poster contest must submit a 1 page abstract in PDF format, written according to the [IEEE PES template](#);
- Because of these uncertain times, the requirement to be registered for the conference in order to submit an application to the student program is being waived. However, students will need to be registered for the 2021 PES GM in order to participate in the program.
- Faculty/supervisor recommendations are needed as part of the application process.

Please share this announcement with prospective students. We look forward to your active participation.

Sincerely,

IEEE PES Student Meeting Activities Subcommittee of PEEC
